BUCKEYE COUNCIL, BSA • 2012 ANNUAL REPORT

100th Anniversary of the Eagle Scout Award

Dear Friends of Scouting,

The mission of the Buckeye Council, Boy Scouts of America is simple: **“To prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.”**

In 2012, Buckeye Council, Boy Scouts of America made significant strides in insuring this mission will be served in our communities for years to come. Some of our accomplishments include:

- Over 280 churches, schools, community organizations and fraternal groups were granted a Charter from the Buckeye Council to conduct the Scouting program.
- The Buckeye Council won (earned) their third straight Grand Prize for the top float in the Football Hall of Fame Parade. We also were privileged to host Hall of Fame offensive tackle and Eagle Scout, Rayfield Wright.
- 134 Boy Scouts earned the Eagle Scout Award.
- Began \$2.2 million capital improvements at Seven Ranges Scout Reservation in Kensington, Ohio.
 - Expansion and renovation of Hoover Dining Hall and kitchen to accommodate more campers.
 - Construction of a “Leadership Village” which includes 4 housing cabins, shower/restroom facility and pavilion to accommodate up to 96 camp staff members during summer camp.
- Recognized by the National Council, Boy Scouts of America as a “Journey to Excellence” Silver Council for strong performance in Finance, Membership, Program, Unit Service and Leadership/Governance.
- Maintained a growing youth membership through recruitment and retention.
 - Over 71.8% of Scouts renewed their membership in 2012.
 - Recruited over 2,500 new youth to Scouting during the year.
- The program team increased the percentage of direct contact leaders trained to 53%.
- Over 40,000 Community Service hours were served by our Scouts and Scout leaders directly to their community.

We believe youth development of every Scout is important, and we look forward to continuing to influence our young people in 2013 with a quality Scouting program that involves over 3,200 adult volunteers. Every Scout has the ability to positively influence their schools, church, community and our nation.

Thanks to the support of volunteers and donors just like you, the Buckeye Council is able to support our Chartered Partners as they provide a quality Scouting program to our ever-increasing number of youth.

ORVILLE EAGLE SCOUT WINS 2012 SERVICE PROJECT AWARD

John Robart of Orville is the recipient of the Buckeye Council Eagle Scout Service Project of the Year Award. The project consisted of restoring various areas of the Orville Railroad Heritage Society (ORHS) in downtown Orville.

Restoring the station’s fence was a big part of the project, involving scraping off the rust, using a mechanical iron pipe cutter to adjust the main support pipes to uniform height, and painting the fence. When it was too cold to paint outside, the team worked inside and painted the ball finials that would go on top of the main support posts.

BUCKEYE COUNCIL WINS TOP FLOAT AWARD FOR 3RD CONSECUTIVE YEAR, RETIRES TROPHY

For the third consecutive year, the Buckeye Council float won the grand prize for best overall entry in the Timken Grand Parade, a highlight of the Pro Football Hall of Fame Festival. The trophy will be retired in our name. The float also won a national award for “Best Marketing Campaign” in BSA’s Annual President’s Awards for Marketing Excellence.

Painting the fence globes

Laying the brick pavers

Measuring for the lockable bulletin board installation

The project included renovating a triangular section of land behind the depot building where a ratty crabapple tree stood. Volunteers cut down the tree, removed the stump, put down a layer of sand and laid brick. ORHS plans to place picnic tables in this newly bricked area.

Finally, a lockable bulletin board was placed inside the depot for news and information on upcoming events. Materials for the project, including brushes, paint and brick, were donated by local businesses.

Roberts says he couldn’t have accomplished the task without his team of fellow Scouters, ORHS members and community service workers, which he secured by contacting “Learning through Life,” the foundation local courts send people from the county who have committed a misdemeanor crime and, in lieu of jail time, are sentenced to do community service.

The Eagle Scout leadership service project is part of the requirements for earning the Eagle Scout Award.

Robart’s project was submitted for the Glenn A. and Melinda W. Adams National Eagle Scout Service Project of the Year Award for BSA’s Central Region. Each local council chooses a council-level winner, and from that pool, each region picks a region-level winner. A national winner is then selected from the four regional finalists.
