How To

Something new in this years stag is the "How To" section. If you are curious on how something works or how to get involved, send an email to the editor, publications@sippolodge.org and your question will be featured in the next publication of the Stag.

Join A Committee

The lodge would like for all members to join a committee either at the chapter or lodge level. This ensures that your voice is heard. Do you like planning events and making sure that fellowships are awesome? Join the fellowship committee who is responsible for all the planning and execution of the event. Do you like cooking or just food in general? Join the Commissary committee who is responsible for making a menu and cooking the food at events!

Pay Your 2019 Dues Now!

It is important to make sure you pay your 2019 dues before the end of February. This allows the lodge leadership to have enough time to do their planning for the year.

Conclave 2019

Conclave 2019 will be themed after the video game "Fallout 76" and thus will be named Conclave 76. There will be lots of fun engaging activities for you to participate in! This will be the first Conclave of the new section after C4-A and C4-B have merged. You will find things like glow in the dark trap shooting and a quarter mile zip-line! Can't forget about engaging trainings and lodge competitions. Ask a lodge officer today about signing up!
