## Registration Fee Increase

The National Executive Board unanimously passed a resolution at its May 2009 meeting to increase the traditional membership annual registration fee for youth and adults from \$10 to \$15 effective January 1, 2010. The annual Exploring fee will remain \$10.

A great deal of thought and consideration went into this decision by both the Executive Board and the Membership Fee Task Force led by National Commissioner Tico Perez. Consideration was given to the impact to program and council support, the necessary funding required to implement planned initiatives over the next several years, and the overall fees paid by councils. Input was sought and received from staff and volunteers at the council level. It was then determined that the best approach was to increase the fee to the level chosen and to make every effort to hold that level for the next several years, rather than raising the fee every year. The last registration fee increase was implemented seven years ago.

The National Council is committed to providing added benefits to local councils and volunteers to support the delivery of high-quality Scouting programs in every community. A key investment continues to be providing more user-friendly Web-based resources. For example, via MyScouting, volunteers will be able to complete even more training requirements on their own schedule, 24 hours a day, utilizing online resources. This will complement their current ability to recharter and manage advancement records online, complete and submit tour permits, and participate in the Scouting Community social network, which continues to grow. The National Council strives to minimize operating costs, and it is worth noting that, even with this increase, youth can receive the full benefits of Scouting membership for only \$1.25 per month.
