Small 1-1/2" lid or compass

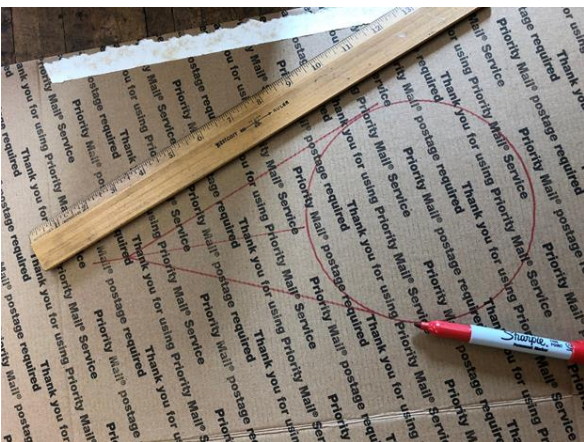

Time to complete – Less than 1 hour

Step 1 get a box

Step 2 Use a coffee can to draw a circle

Step 3 Draw two lines

Birdhouse out of Cardboard

Step 4 Make two pieces

Step 5 Use a cap or lid to make about a 1-1/2" hole

Step 6 Cut out the hole

Step 7 Use a nail or a screwdriver to punch a hole in the back

Birdhouse out of Cardboard

Step 8 Reuse the hole you cut out to reinforce the nail hole

Step 9 Bend about a 2-1/2 inch of long card board

Step 10 Use a glue gun or tape to attach the bent cardboard as the sides

Step 11 bend over the excess to seal the "roof"

Birdhouse out of Cardboard

Step 12 Install the front by repeating Step 11

Step 13 I used duct tape to help seal it

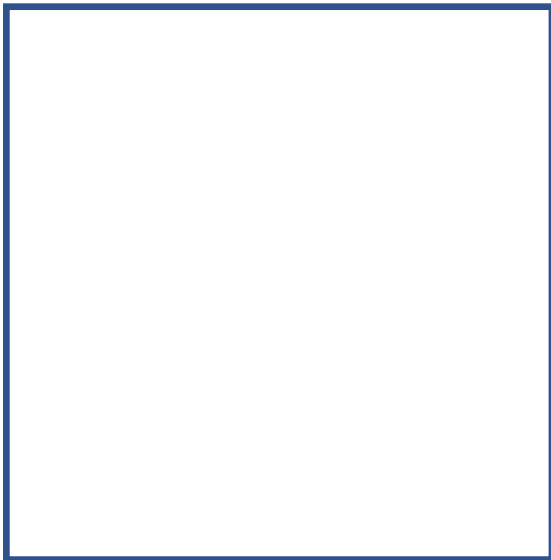

Step 14 Use a nail or screw on a post or a tree to attach to a tree. About 4-5 feet from the ground.
